## Abstract:

The purpose of my creative project evolves from my work as an intern at The Miami County Museum in Peru, Indiana. I was selected to write, edit, and produce five videos to be played alongside their coordinating permanent displays. The video scripts were limited to local subjects: the circus, the 1913 flood, the railroad, the Miami Indians (specifically Little Turtle and Frances Slocum), and Cole Porter. Each one gives a short history and their importance to the community. These videos will be used to educate Peru and its visitors about Miami County's rich historical heritage.
